Opportunity for an exceptional candidate to join our highly successful team, shaping a new Ark secondary school in Ealing.

Ark Soane Academy is a new secondary school in Acton which opened in 2021. We will have 900 students in Years 7-11 from September 2025.

Ark Soane seeks to redefine what is possible in education. Our model is “simplicity delivered expertly”: by delivering an immaculately planned and highly academic curriculum exceptionally well; and by providing our students with a compelling aspiration-raising ethos we seek to transform the future of students in a highly deprived community.

Behaviour at Soane is exemplary enabling you to deliver exceptional lessons. Students are entirely bought-in to the values and ethos of the school and know that they are fortunate to attend a school where the quality of education is exceptional and where love, warmth, respect, and the highest standards permeate every interaction. Students are a pleasure to teach and you can always expect a “thank you miss” when students leave your classroom.

Leaders at Soane prevent unnecessary demands on staff time

– meetings, marking and administrative tasks are minimised to ensure staff can be highly effective. The curriculum and resourcing ensure that staff rarely plan alone: staff time is used where it is most valuable: working as a team to implement the curriculum for the students in our classrooms.

We are a community of professionals learning together who believe we can all become exemplary staff. We have a truly open-door culture where frequent low-stakes feedback is the norm. We value the input of all our staff and collaborate to ensure the academy continues to improve as it expands. We frequently host teams of domestic and international educators who come to learn from us and help us shape our provision.

Ark Soane Academy is part of Ark, one of the UK’s most successful school groups, with a network of 39 schools in 4 locations across the country.

As a proud member of the network, we offer:

- Twice as many training days as standard.
- Weekly staff training designed to meet the needs of the school.
- Coaching for every teacher.
- Protected co-planning time.
- Access to high-quality, regular professional development.
- Opportunities to collaborate with colleagues across the network.

The role:

We are recruiting an exceptional team of staff to support the next stage of development of a genuinely transformational school. We are looking for candidates who are able to demonstrate the highest expectations of student effort and conduct and are able to do so with kindness and warmth.

To do this we are recruiting the brightest and best graduates in the country to join us as Graduate Teaching Assistants (GTAs). Our GTAs are given extensive support to develop into future teachers and leaders in education with an opportunity to remain at Soane as a trainee teacher after successful completion of a year in role.

We have an unwavering belief that every child can meet the highest expectations of behaviour, effort, and academic progress. Our GTAs are critical to supporting those children who find it hardest to meet those expectations to do so. As a GTA you will be trained in delivering a small number of interventions to individuals and small groups – ranging from literacy to emotional regulation and from personal organisation to relationship building.

The successful candidate will have some relevant experience of working with children and the drive and enthusiasm to inspire our students. Crucial to this role is the ability to coach and develop students to become the best version of themselves. The successful candidate will be someone who is excited and motivated by this responsibility.

You will:

- Share the Ark Soane beliefs, vision and mission and be aligned with the Ark six pillars underpinning it.
- Be committed to Ark’s ethos of high expectations for every student in both academic achievement and personal development.
- Manage behaviour effectively to create a positive, calm, and purposeful climate for learning.
- Have the drive, skills and resilient character required to help develop a new school.
- Be reflective about the Academy and committed to securing its continued development.
- Value and support practices driving continued progress across the network of Ark schools.
