Principal

Thank you for taking the time to read about this opportunity at Ark Boulton Academy. As Head of School, a large part of my role is ensuring that we have the very best staff supporting our pupils. We serve a diverse community where our young people really value their education, and greatly benefit from having a school full of dedicated professionals. I would love for you to join our team.

At Ark Boulton, we place great emphasis on recruiting and retaining teachers and support staff of the highest quality. In every decision, we consider how we can best foster a positive working environment. We have introduced a number of initiatives to promote work-life balance and wellbeing, including reducing meetings, periodic early finishes and supporting staff with assessments by having them marked externally. The leadership team is passionate about making Ark Boulton Academy a great place to work and prioritises staff morale.

Managing our staff is one of my favourite parts of Headship, and I believe that strengthening interpersonal relationships between staff is exceptionally important. With that in mind, please do arrange some time to speak with me about this vital role in the school.

Mr Laurence Cole, Principal

Being part of the Ark network

Ark is an international charity, transforming lives through education. We exist to make sure that every child, regardless of background, has access to a great education and real choices in life. We know that great schools need great teachers, which is why we offer you the very best training and support at every stage of your career - from starting out as a trainee to running your own school.

Our highly-successful network of 39 schools educates over 20,000 students across Birmingham, Hastings, London and Portsmouth. They are achieving some of the best results in the country despite being largely in areas of historic academic underachievement.

Ark schools prioritise six key principles: high expectations; excellent teaching; exemplary behaviour; depth before breadth; more time for learning; knowing every child.

Ark invests significantly in a number of professional development programmes which complement academy level training:

- The Ark training menu: we have developed a bespoke training menu, which is accessible by all staff in the network offering a wide range of training modules to staff in all roles

- Network support: schools share CPD, allowing us to share best practice and role specific training across the network, facilitated by in-school and central staff
- Ark staff receive 10 training days each year rather than five creating time to collaborate with subject specialists within each school and across the network

Ark is at the forefront of changing education society through education. You can read more about how Ark is transforming lives through education [here](#).

This post is classified as having substantial access to children, and appointment is subject to an enhanced police check of previous criminal convictions (DBS). Applicants are required, before appointment, to disclose any conviction, caution or binding over including 'spent convictions' under the Rehabilitation of Offenders Act 1974 (Exemptions) Order 1975. Non-disclosure may lead to termination of employment. However, disclosure of a criminal background will not necessarily debar individuals from employment – this will depend upon the nature of the offence(s) and when they occurred.

References from the previous and current employer will be taken up for shortlisted candidates, and where necessary employers may be contacted to gather further information.

Probation

All new staff will be subject to a probation period of six months (which may, in certain circumstances, be extended by up to 10 weeks). The probation period is a trial period, to enable the assessment of an employee's suitability for the job for which they have been employed. It provides the academy with the opportunity to monitor and review the performance of new staff in relation to various areas, but also in terms of their commitment to safeguarding and relationships with pupils.
