About Ark Victoria Academy

Ark Victoria Academy provides pupils with an excellent education through an ambitious curriculum, personal development and character programme, and an extensive pupil experience and extra-curricular offer. Although we are a large school, we are able to retain a family feel, to nurture our pupils through their schooling and ensure that they flourish and leave us with the skills and qualifications necessary to continue their journey of life-long learning in a university or career of their choice.

Our school values and virtue pathways are crucial to our culture and ethos, they are also part of the way we work and learn together and have been instrumental to us on our school improvement journey. Our values of Ambition, Resilience and Kindness permeate our curriculum, our culture, school and our learning community.

It is for these reasons that Ark Victoria Academy was judged to be significantly improved in all areas from the 2019 'Good' inspection, by Ofsted, in October 2024: *'This is a school which lives out its values in full for the benefit of children in Nursery to the pupils in Year 11...pupils thrive at all stages of Ark Victoria Academy...as the school knows its pupils very well, they are very well supported to engage with the school's ambitious curriculum'*. The full report (September 2024) can be found here: <https://files.ofsted.gov.uk/v1/file/50262921>.

Our children make *exceptional progress*, with results consistently in the top 10% nationally across the primary phase. From the moment they enter our exemplary Early Years setting, our pupils benefit from a carefully sequenced, vocabulary-rich curriculum that equips them to read, think, and speak with confidence. Rigorous teaching, expert support for SEND, and an unwavering focus on high expectations mean every child is challenged and supported to succeed.

We prioritise staff development with a strong emphasis on securing expert subject knowledge from our teachers, strong teaching and leadership and a focus on excellence for our pupils and staff. Through our staff well-being charter and committee, your voice is heard, and your growth is supported.

Ms Ela McSorley, Executive Principal

Executive Primary Headteacher

Welcome to the primary Phase of Ark Victoria Academy.

The primary phase begins in Nursery and continues into Reception where we take in 90 pupils each year. We are incredibly proud of the start we give our pupils in Early Years, laying the foundations for the educational journey they will continue through to Year 11.

Our values of ambition, resilience and kindness underpin all the work that we do within our academy. We have high expectations and expect our pupils to work hard in order to achieve their full potential. Our academy is a calm environment where pupils behave well at all times.

Our classrooms are purposeful learning environments where children debate, discuss and develop their ideas with confidence and respect. Reading is at the heart of our academy. We know how important it is that pupils move into Year 7 able to read well. Our love of reading is visible throughout the school and in every classroom. We dedicate time to high quality teaching of reading in every phase, listening to pupils read regularly and developing children's passion for reading at every opportunity.

We pride ourselves on knowing every child in our care and our curriculum is planned, sequenced and delivered with our pupils at its heart. We dedicate time to ensuring pupils develop the core knowledge and skills they need in preparation for secondary school and enrich our learning with a wide range of extra-curricular activities.

We understand the importance of working together with parents and have regular opportunities for parents to come into school. We regularly share ways to help children at home, celebrate the work they have been doing and share information about the progress our pupils are making. We are always available (you will see us on duty every day before and after school!) so please do approach us with any questions you may have.

We feel privileged to be part of an all through academy, preparing our pupils for the secondary phase of their education which builds seamlessly on the work we do in primary. Staff in Year 6 work very closely with Year 7 staff to ensure a positive transition experience when children move into the next phase of their education with us. We ensure that children's individual needs are met, families are supported and our high expectations are maintained. We believe in each of our pupils and we are very proud when we hear of their success as they move into secondary school and beyond.

Mrs Victoria Twort, Executive Primary Headteacher
