# **Learning Support Assistant KS3 1 Year Fixed Contract Candidate Information Pack**

June 2025

Dear Candidate

Thank you for taking the time to find out more about Ark Academy in Wembley Park and the possibility of working here. Included in this pack is information about the academy, ARK schools (who sponsor the academy) and the role of Learning Support Assistant.

This is a unique opportunity to join a community of staff striving to maintain and continuing to create an outstanding comprehensive school. We are looking to recruit a skilled and committed Graduate Learning Support Assistant to work within the Learning Support team and across English and other KS3 subjects.

Ark Academy is an all through school that offers excellent learning from nursery through to higher education. In an all through school, school parents can expect their son/daughter to transfer seamlessly from primary to secondary school. We now have three years of Ark primary students who have transferred to secondary. We are one and share the same values and expectations. Our aim is to ensure that all our pupils develop as high achieving, confident, articulate young people whose education fully equips them to go on to university or the career of their choice and this starts from an early age.

To apply, follow the link at <https://arkacademy.org/vacancies> by **8:00am on Friday 20 June 2025**. For an informal, conversation about the role, please contact Makayla Carty, SENCo by email [m.carty@arkacademy.org](mailto:m.carty@arkacademy.org)

We wish you the best with your application.

**Delia Smith OBE**  
**Principal**

## Ark Academy

### The Principal

Delia Smith is the founding principal of Ark Academy. Previously she was the headteacher of St Angela's Ursuline School in Forest Gate for 14 years. She has also been a schools' inspector and was awarded an OBE for services to education.

### About Ark Academy

We are a non-selective school specialising in **mathematics** and **citizenship** that serves children of all abilities. Our commitment is to know every pupil as an individual, and to foster the principles of team spirit, responsibility and care for others. Our pupils enjoy both a nurturing environment and the social benefits of a small school and the range and resources of a large, well equipped academy.

### Facilities

Our buildings were designed by award winning architects Studio E (who created the successful design for City of London Academy in Southwark) and are organised to support calm and ordered learning. Pupils have access to specialist indoor and outdoor sports facilities, excellent science and ICT facilities, music, Design and Technology, art and drama studios and a 150 sqm, well-stocked and up-to-date library as well as inviting and well-equipped classrooms

### About ARK Schools

ARK Schools is an education charity set up in 2004 to create a network of high achieving, non-selective, inner city schools where all pupils, regardless of their background or prior attainment, achieve highly enough by age 18 to have real choices: to go on to university or the career of their choice. ARK Schools has no faith affiliations.

All the ARK schools are situated in areas of high deprivation or educational need and our pupil profile reflects this: over half of our pupils are eligible for free school meals compared to 18% nationally.

The ARK network operates 38 schools in the UK across London, Portsmouth, Birmingham and Hastings. Each of our schools has its own distinctive character, reflecting its local community.

## About the Learning Support Department

At the core of Pupil Support is the principle of Knowing Every Child. We strive to ensure teachers are equipped to provide high quality teaching to all children, regardless of SEND status. To do this, we work collaboratively to identify how curriculum and delivery can be adjusted to meet the children's needs. With our specific focus on progress and attainment of children at school support and with EHC plans, our team work rigorously to ensure the needs of the children are being met. We believe in pupil voice and offer 3 reviews per year to parents and children, so applicants should be aware that ongoing professional dialogue will be required. Due to the range and variety of needs amongst our SEND cohort, applicants may work 1:1 with a key child, deliver intervention to individuals and small groups, deliver enrichment through our homework club, and be required to provide personal care for children with SEND.
