About Ark Isaac Newton Academy

INA is based in new buildings between Ilford High Road and Green Lane in Ilford. The school's learning community is based upon the core values of mutual respect, personal discipline, and an unwavering commitment on the part of all community members to do whatever it takes to excel.

Ark Isaac Newton Academy is a non-denominational, non-selective school, welcoming girls and boys from all backgrounds from the local community. The school opened with just 180 Year 7 students in September 2012. The secondary school has grown year on year and we now have 1200 11-18 year olds (including 250 students in the Sixth Form). In September 2014, Isaac Newton Academy opened a three-form entry primary school in purpose-built accommodation right next to the secondary academy. There are 90 children in each year group and, like the secondary school, it has grown a year group at a time. From September 2020, we now have children in Reception through to Year 6.

Although the local area encompasses considerable economic disadvantage, its young people achieve some of the best results in London schools. Ark was chosen to sponsor the academy because of the success of our educational model and the alignment of our educational vision with the Redbridge context.

Dear Candidate,

I am delighted to introduce you to Ark Isaac Newton Academy, a new, purpose-built, all-through school for students aged 4-18 in Ilford.

Our staff work tirelessly to ensure that each and every student is supported and stretched to reach their full potential. We focus on working towards achieving our vision **‘Together, we build a kind, safe and inclusive environment that instils the knowledge and character necessary to reach transformational destinations’**. Commitment to our vision has already delivered a series of great successes highlighted in October 2024 when the academy was judged by Ofsted to be outstanding in all areas. This was the third consecutive outstanding Ofsted the school has received since opening in 2012.

Joining Ark Isaac Newton Academy in September 2020, I have spent more than a decade as a senior leader, a large portion of this within an all-through school. There is something incredibly special about working in an all-through school, which makes me committed to delivering the highest quality education to all the students at Ark Isaac Newton Academy and will build on the successes already enjoyed by the school, especially highlighted with our amazing year 6, 11 and 13 academic outcomes in 2022, 2023 and 2024.

Our academy aims to be a ‘home from home’ for both staff and students. My belief is all students deserve a great school and staff a great place to work. Therefore, we are very clear with the culture that we wish to cultivate for our community. Central to this is being a mission led organisation, which is at the heart of everything we do and outlines our ambition, that goes beyond ensuring our students have excellent academic outcomes. Ultimately, working for Ark Isaac Newton Academy is about being part of something unique where aspirations for all people are incredibly high. We certainly want like-minded people to join our organisation and live our mission each day, every day: ***Striving together to be pioneers whose legacy makes a positive difference for our world.***

I wish you the best with your application.

About Ark

Ark is an education charity set up in 2004 to create a network of high achieving, non-selective, inner city schools where all pupils, regardless of their background or prior attainment, achieve highly enough by age 18 to have real choices: to go on to university or the career of their choice. Ark has no faith affiliations.

All ARK schools are situated in areas of high deprivation or educational need and our pupil profile reflects this: over a quarter of our pupils are eligible for free school meals compared to 18% nationally.

The ARK network operates 39 schools in the UK across London, Portsmouth, Birmingham and Hastings. Each of our schools has its own distinctive character, reflecting its local community.

All Ark Schools prioritise six key principles:

- High expectations
- Excellent teaching
- More time for learning
- Knowing every student
- Exemplary behaviour
- Depth before breadth

A Commitment to Encourage Diversity

Ark is committed to eliminating discrimination and encouraging diversity amongst our employees. Our aim is that our workforce will be truly representative of all sections of society and that each employee feels respected and able to give their best. To that end we are committed to provide equality and fairness for all in our recruitment and employment practices and not to discriminate on grounds of age, disability, gender reassignment, marriage/civil partnership status, pregnancy and maternity, race, religion or belief, sex, or sexual orientation. We oppose all forms of unlawful and unfair discrimination.
